## Artwork Supply Information:

1. Files to be supplied where possible as vector **.PDF**, **.AI** or **.EPS** format.
2. Files can also be supplied as high resolution bitmaps in **.JPEG** - **.TIFF** - **.PSD** format.  
If supplying a bitmap file please remove all bleed and safe area guides before submitting.  
(Do not supply a layered **.PSD** unless you want us to modify your artwork)  
**DO NOT FLATTEN GUIDELINES INTO THE ARTWORK AS THESE ARE NOT TO BE PRINTED**
3. All Artwork submitted should be set in CMYK Colour mode to ensure accurate output.
4. Files can be supplied at 100%, 50% or 25% - The correct proportions are critical.
5. Please ensure all logos are within the safe areas to avoid unwanted cropping
6. Minimum font size is 30pts
7. Ensure all fonts are converted to outline before submitting
8. Photographic data needs to be supplied at a minimum of 150dpi at full size
9. **Pantones** - Flags are printed using CMYK inks. We will make every effort to match pantone colours but every colour can't be guaranteed due to the limited gamut of a CMYK printer.
